

# Sporting Director

## Role Purpose:

To serve as the racing division manager for Full Send SimSport, ensuring that the team's on track seasonal goals are met through the effective oversight of the race division coordinators and clear communication with the Executive Committee. They are the bridge between the Exec Committee and the race division translating big-picture strategy into coordinated action across the racing division.

For the racing division, they are the glue: tracking key deadlines, supporting and directing the coordinators, and making sure the division is actually delivering on Full Send's racing ambitions.

## Organisation Chart View

## Key Responsibilities:

### Executive Liaison:

- **Advisory:** Acts as the trusted "on-the-ground" voice for the Executive Committee in regards to the racing division.
- **Consultation:** Discusses seasonal plans, major roster changes, or new league entries with the Exec before any implementation.
- **Reporting:** Periodically updates the Exec on the operational health of the team and the status of the Race Team Coordinators.

### Operational Oversight:

- **Support Race Team Coordination:** Ensures the other race team leadership roles are aligned and not working in silos.
- **Driving Force:** Is charged with ensuring the team is achieving all the goals Full Send has for its racing division..
- **Seasonal Management:** Tracks high-level deadlines (e.g., season start dates) to ensure the team is prepared.
- **Resource Management:** Identifies when a Coordinator is overwhelmed and works with the Exec to find a solution.

### Role Boundaries:

- Responsible for **direction and approval**, not the granular execution of tasks like setting up servers or posting to social media. Must run large decisions past the Executive Committee.

### Reporting & Collaboration:

- Reports to the Executive Committee

### Supervises/Manages:

- Technical Coordinator
- Community Coordinator
- Race Event Coordinator
